First and foremost, I would like to thank our English Teacher Mr. KK Pandey who guided us in doing these projects. He provided us with invaluable advice and helped us in difficult periods. His motivation and help contributed tremendously to the successful completion of the project.

Besides, we would like to thank all the teachers who helped us by giving us advice and providing the equipment which we needed.

Also I would like to thank my family and friends for their support. Without that support we couldn't have succeeded in completing this project.

At last but not in least, we would like to thank everyone who helped and motivated us to work on this project.
